MANAGER'S NOTEBOOK

Good afternoon and welcome to everyone for our vital run in of games that pave the way for the clubs future. I recently presented at our supporters forum, to be as open as I can be, about where we have come from and where we are going. I displayed the challenges we face and the things that we need to learn moving forward, along with our achievements. Once our fate is decided we can begin to talk to the players openly about the financial situation and our plans for next season.

We started the game against Slough Town on a football pitch and finished it in a swimming pool! Slough being a bit more experienced adapted well to those conditions and our lads found it difficult tactically. This is because they are hard wired and conditioned to do certain things and that means it takes time and leadership on the pitch to get them to understand and do things differently that we ask. There can be no doubt again about our endeavour and Slough had to work hard for the points and that's all we can ask.

To say I was gutted with the Biggleswade Town 10am postponement on Monday would be someway shy of the words I used on the day. We were well prepped and had even had the game professionally scouted. But what's a week for us without a setback?

The importance now and the purpose of our forum presentation is because now we are entering what could be the biggest period in the clubs history. Everyone has been fantastic despite our endless setbacks, bad luck and underlining core restrictions. But everyone has stuck together, now we're going to get even closer and that togetherness can get us over the line to pull this miracle off.

To have kept going, not giving up and dusting ourselves down every week shows the level of character we have on and off the pitch. You can't buy that!!!

A WELCOME FROM OUR CHAIRMAN

Welcome the officials, management team, players and supporters of Kettering Town to Creasey Park for this afternoon's fixture.

I would like to take this opportunity to thank everyone involved with our Good Friday fixture against Slough Town who made every effort to ensure the match went ahead and was completed despite the miserable conditions.

We had our second biggest crowd of the season. Of particular significance, was the fact, the crowd was bolstered by fans from many different clubs eager to watch a match on the first day of the Easter bank holiday weekend. Additionally, fans continued to bring donations to our foodbank stall and despite being soaked, took the time to buy 50-50 and golden goal tickets to help bolster the club's finances and long-term sustainability.

We had the pleasure of hosting the Southern League Chairman, Terry Barratt, who is always welcome at Creasey Park. Supporters were treated to an entertaining match despite the persistent rain that fell before and during the match. They also witnessed another outstanding performance by one of our young lions – Nathan Harness, our latest goalkeeper, who pulled off a string of excellent saves, that rightly saw him being awarded the Man of the Match award by both the match sponsors, Hawkes & Smart and the Non-League Paper.

Credit is also due to Steve Lewington and the youth team parents who organised another mascot day. They, along with our effervescent mascots were not deterred by the weather. These are our supporters of the future who are happy to turn out as players, mascots and fans for the club in all weathers.

Our all-inclusive community approach was on show again at the Slough Town match – so much so, we were again complimented on our hospitality and the way we try and look after all fans, irrespective if they are home or away supporters. This was encapsulated for me, by the Slough fan who won the 50-50 competition and donated the prize back to the club.

Alex Alexandrou

Enjoy the match

As we look to build a sustainable club , which only operates within its means, we now believe it is time to build a fund which is 'ring fenced' for player wages. Many clubs operating at our level have similar schemes which supplement the allocated player budget.

So, how does it work? Supporters can donate via 1) One off donations 2) Monthly Standing Orders 3) A combination of 1 & 2.

The amount of your donation/standing order will of course remain private between the donor and our finance team. This scheme operates throughout the year, and is not limited to the football season. The Standing Order mandate is available for download from our website, which you can print off and pass to us on match day.

TODAY'S OPPOSITION HISTORY

The club was established in 1872 under the name Kettering Football Club. They joined the Midland League in 1892 and were champions of the league in 1895–96. After winning the Midland League again in 1899–1900, the club applied for election to the Football League. However, they received only two votes and failed to gain entry to the League. Instead, the club joined Division One of the Southern League. In the 1900–01 FA Cup they reached the second round, beating Football League opponents Burton Swifts and Chesterfield before losing 5–0 at Middlesbrough.

After finishing bottom of Division One of the Southern League in 1903–04, Kettering dropped into the Northamptonshire League, where the reserve team had been playing. They won the league at the first attempt and were runners-up in the next three seasons. In 1909 the club rejoined the Southern League, playing in Division Two B, but also continued to enter the first team into the Northamptonshire League for another season; they went on to finish the 1909–10 season as runners-up in both leagues. League reorganisation saw them placed in Division Two of the Southern League for the following season.

In 1912 Kettering left the Southern League again, transferring to the Central Alliance. They played in the Alliance until returning to the Southern League in 1923, where they were placed in the Eastern Division. In 1924 the club were renamed Kettering Town after becoming a limited company. They were runners-up in the Eastern Division in 1924–25, and after finishing fourth in 1926–27. They were Eastern Division champions the following season and went on to win the overall Southern League championship, beating Bristol City Reserves 5–0 in a play-off. After retaining the Eastern Division title in 1928–29 the club lost the championship play-off 4–2 to Plymouth Argyle Reserves.

In 1930 the club joined the Birmingham & District League, taking the place of their reserve team. However, after a single season the club dropped back into the Northamptonshire League. They were Northamptonshire League runners-up in 1932–33, after which they left to join the Central Combination. The club rejoined the Northamptonshire League, now named the United Counties League, in 1935 and were runners-up in their first season back in the league. They went on to win the league in 1938–39. In 1946 the club rejoined the Birmingham & District League and were league champions in 1947–48 and runners-up the following season. In 1950 they rejoined the Southern League.

Kettering were Southern League champions in 1956–57, after which they applied for Football League membership again, failing to receive a single vote. In 1958 the Southern League was restructured, with Kettering placed in the North West Division. They were North West Division runners-up in 1958–59, earning a place in the Premier Division as the league was restructured again in 1959. However, they finished bottom of the Premier Division the following season and were relegated to Division One. The club won Division One at the first attempt and were promoted back to the Premier Division. At the end of the 1963–64 season Kettering were relegated to Division One again. After four seasons in the Division One, they were runners-up in 1967–68, earning promotion back to the Premier Division.

They were relegated in 1970–71, this time to Division One North. However, the club won Division One North the following season and went on to win the Premier Division title in 1972–73. Following their league title, they applied for Football League membership, this time receiving 12 votes, still well below the 26 received by Darlington, the lowest ranked successful club. The following season saw them receive 16 votes, finishing as the highest-ranked non-League club and only five votes behind Fourth Division Workington. In 1975 the club received 20 votes, again the top-ranked non-League club, but this time eight votes behind Workington.

The club applied for the final time in 1979 after finishing as runners-up in the Southern League's Premier Division, by which time only two non-League clubs were allowed to enter the ballot, but they finished last behind Northern Premier League runners-up Altrincham. In 1979 the club were founder members of the Alliance Premier League, a single national division at the top of the non-League pyramid. They were runners-up in 1980–81 and again in 1988–89, a season which saw them reach the fourth round of the FA Cup; after beating Dartford in the first round, they defeated Football League opposition Bristol Rovers in the second round and Halifax Town in the third, before losing 2–1 at First Division Charlton Athletic in the fourth round.

Kettering were Conference runners-up again in 1993–94 and 1998–99. In 1999–2000 the club reached the final of the FA Trophy for a second time, losing 3–2 to King's Lynn. They were relegated to the Southern League Premier Division at the end of the 2000–01 season, but won the division the following season, earning promotion back to the Football Conference. However, they finished bottom of the Conference in 2002–03 and were relegated again, this time to the Premier Division of the Isthmian League. A ninth-place finish in 2003–04 saw the club placed in the new Conference North for the 2004–05 season. A fourth-place finish led to them qualifying for the promotion play-offs, in which they beat Droylsden 2–1 in the semi-finals before losing 3–2 to Altrincham in the final. In 2006–07 the club were Conference North runners-up, but lost to 4–2 on aggregate Farsley Celtic in the play-off semi-finals. The following season saw them win the Conference North, earning promotion to the Conference National.

In the 2008–09 FA Cup Kettering reached the fourth round for a second time; after beating Lincoln City 2–1 in a first round replay and Notts County by the same score in a second round replay, the club defeated Eastwood Town in the third round. In the fourth they were drawn away to Premier League club Fulham, where they lost 4–2. After losing their Rockingham Road ground in 2011, the club went into administration during the 2011–12 season, finishing bottom of the Conference National and were demoted two divisions to the Premier Division of the Southern League. They finished bottom of the Southern League Premier Division the following season and were relegated to Division One Central. A third-place finish in the division in 2013–14 saw them qualify for the play-offs, but after beating Daventry Town 1–0 in the semi-finals, they lost 3–2 to Slough Town in the final. In 2014–15 the club won the Division One Central title, earning promotion to the Premier Division.

LAST TIME OUT

DUNSTABLE TOWN 0-3 SLOUGH TOWN HT (0-2)

Dunstable welcomed back Captain, John Sonuga and Mano Langlais, who had been injured in his debut against AFC Dunstable on the 3rd October. Peter Kioso, having served the last of his two match suspension, came straight back into the Team. Slough came out of the traps in attacking mode and were quickly on their game testing Nathan Harness in the Dunstable goal, who had an outstanding game.

Dunstable were up to the task and an entertaining first 25 minutes took place with Slough having the majority of the ball, but Dunstable defending resolutely and not without a few ideas themselves about moving the ball around neatly and confidently, looking at every opportunity to get behind the Slough back line. The deadlock was broken by Slough in the 25th minute when Lee Togwell seized on a loose ball in the box to put the visitors ahead.

Slough maintained the pressure keeping Dunstable pegged back in their own half for long periods. Front runners Andrew Osei-Bonsu and Arel Amu sought out spaces to exploit any defensive frailties with Sam Kehinde looking to provide neat flick on's there was still every chance that Dunstable might get an equaliser on the break particularly on the heavy surface where turning became less and less easy.

Fifteen minutes later Slough extended their lead as Manny Williams got his name on the scoresheet with a well taken goal and with it, Dunstable's hopes of going into the half time break on even terms receded.

As the weather deteriorated and the pitch got heavier both teams continued to try and play pass and move football on the ground; football which showed the spectators that both teams wanted to produce an entertaining game to make the braving of the elements a worthwhile occupation and showcase the talents that both teams possessed. Dunstable created several half chances but at the other end were grateful for the outstanding performance from Nathan Harness who made save after save to frustrate the Slough forwards.

The excitement and commitment levels did not drop one iota. Players slid through puddles to tackle, the ball would stop as soon as it hit the ground with players kicking at fresh air, but neither side dropped their energy levels.

As spectators looked at phones and watches to see how much stoppage time had been played up popped Lee Togwell in the third minute of stoppage time to score his second, and Slough's third goal of the game.

A surprising number of matches managed to survive the wet on Bank Holiday Monday in the Evo-Stik League South Premier.

Leaders Hereford FC's game on the artificial surface at Redditch United's Trico Stadium was always going to be on and the Bulls won 2-0 to stretch their advantage at the top to four points as King's Lynn Town's big home game against fourth-placed Kettering Town was one of five that didn't go ahead. In front of a crowd of 1,651, Jimmy Oates gave Hereford a 21st minute lead that Lance Smith doubled just past the hour-mark with a diving header. The Bulls finished with ten-men though when Ryan Green was sent-off in the final minute after a two-footed tackle on Tyler Weir.

Weymouth moved to within three points of Lynn after a 5-0 hammering of bottom-markers Gosport Borough at the Bob Lucas Stadium. A crowd of 1,007 saw Harry Baker give the Terras a good start with a goal inside 2 minutes. Brandon Goodship then took over, completing a hat-trick with goals in the 25th, 44th and 73rd minutes. And Boro's day was complete when Ed Sanders beat his own keeper to make it a nap hand for the home side 2 minutes from time.

Slough Town in fifth ensured the gap between them and sixth-placed Royston Town, who also won, remains a healthy ten points after winning 2-1 at Arbour Park against neighbours Chesham United, who are probably out of the running now. A crowd of 784 saw Oran Swales give the visiting Generals a 10th minute lead that James Dobson cancelled out 12 minutes later. The winner came from Warren Harris with less than 4 minutes remaining.

Royston, whose defeat at Hereford on Saturday set them back, have an awful lot to do now and need Slough to slip up really if they are to overtake them, despite recording a 4-2 Garden Walk win over Bishop's Stortford. The teams were three divisions apart last year but, after Mark Hughes had given the visiting Blues a 20th minute lead, the Crows turned it

round in the second half with goals from Joe Hankins on the hour-mark, Scott Bridges from the penalty spot 10 minutes later, Josh Castiglione 5 minutes after that and Martel Powell in the 80th minute, veteran Jamie Cureton adding a second for Stortford 4 minutes later.

Elsewhere, Frome Town came back from a goal down to win by the odd goal in seven at Penyarden Park against Merthyr Town, whose Owain Jones scored in the 11th minute. Joe Raynes equalised 3 minutes later and then Josh Brace put the Somerset side in front 10 minutes after that. Ryan Prosser took the sides into the break all-square with the leveller on the half-hour mark and 10 minutes into the second period, Jarrad Wright made it 3-2 to the hosts. But on 77 minutes, Marcus Mapstone equalised and Jon Davies won it for Frome 6 minutes from time.

Hitchin Town won the derby at Kings Langley, thanks to goals from Toby Syme after 49 minutes and then Patrick Tshikala a minute into stoppage time – Mitchell Weiss' reply coming a minute later.

And Basingstoke Town won the derby at the Camrose against Farnborough in another seven-goal bonanza. Callum Bunting's 7th minute effort gave 'Stoke the lead, only for Luke King to equalise 11 minutes later and then put Boro ahead 6 minutes later. Bunting's second pulled the home side back on terms 2 minutes later and Sam Smart made it 3-2 to Basingstoke at the break when he scored 3 minutes later. Connor Calcutt levelled matters 5 minutes into the second half, only for Terry Brown's side to win it on the hour-mark through Sam Deadfield.

7 APRIL 1983 - THE FIRST TIME FRANCE AND GERMANY AGREED ON ANYTHING

On 7 April 1983, three-time French Player of the Year Franck Ribéry was born in Boulogne-sur-Mer. A winger who prefers to play on the left, he is considered by many to be one of the leading French players of his generation.

Ribéry began his professional career in 2000 with his hometown team, Boulogne, then in the fourth division. After only two seasons, he moved to a couple of lower-division teams (Olympique Alès, 2002-03, and Stade Brestois, 2003-04) before landing in Ligue 1 with Metz in 2004. His initial stay in the French top flight was brief, as he left after only six months due to a contract dispute, ending up at Istanbul's Galatasaray in January 2005.

His stay in Turkey was equally brief, as after winning the 2005 Turkish Cup, he returned to Ligue 1 to play for Marseille. In two seasons at Marseille, he established himself as one of France's most dynamic and creative players. His success in Marseille sparked a bidding war among several European clubs, including Arsenal and Real Madrid, but Germany's Bayern Munich eventually signed him in 2007 for €25 million.

At Bayern, Ribéry was instrumental in helping restore the club to its former glory, securing a double in 2007-08 by winning the German Cup and the league. For his role, Ribéry was named both the 2008 French Player of the Year and the 2008 German Footballer of the Year.

THE **NON-LEAGUE** PAPER®

ON SUNDAY/MONDAY  **THE ORIGINAL AND THE BEST** ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

OUR prestigious National Game Awards are bigger than ever this year and we couldn't wait to reveal one of the new prizes up for grabs this summer! One of the best things about football, and particularly Non-League, is the many great grounds and welcoming clubs available to visit when following your team around the country.

To recognise this important part of the game, we're introducing the Non-League Away Day Experience of the Year Award to this year's ceremony on May 16 at Stamford Bridge. Our friends at the Football Supporters Federation are kindly supporting the fantastic new award, and here's what we're looking for in the winner! The award will recognise those clubs who go the extra mile in making away fans welcome in the top four levels of the Non-League game.

Travelling supporters are vital to the atmosphere at matches, the additional revenue they bring improves the financial viability of clubs. A noisy and colourful away following will often spark home supporters into generating the kind of atmosphere that makes even a mediocre game more of an event. A bigger crowd will also attract additional revenue from sponsors, who want to be associated with the spectacle of the match and celebration of our game.

Sometimes the result even pales into insignificance if the experience has been enjoyable! Have you ever had an away day like this? We need your help to find a very worthy winner. Facilities and resources vary, so we are inviting nominations at each of Steps 1 to 4 of the National League System to recognise the superb work clubs do across Non-League.

A judging panel will decide the winning club at each level with those clubs receiving an award from the FSF and The Non-League Paper.

Those clubs will then be carefully considered for the new Non-League Away Day Experience of the Year Award at our National Game Awards.

Nominations should be sent to ngaawayday@fsf.org.uk with your reasons why a particular club should be considered, this might include: quality of accommodation for away fans, food and drinks offer, ticket pricing, attitude and behaviour of stewards and home supporters.

The awards will acknowledge best practice and encourage all clubs to look at how the match day experience for away fans can be improved.

HATTERS LIFT SENIOR CHALLENGE CUP

Biggleswade Town did not take long to take the lead, after a lofted cross by Greg Kaziboni found its way into the net after only a minute. The Hatters found hope with a beautiful team move which resulted in Jake Jarvis placing an accurate chip over Liam Gooch in the 11th minute. After Luton gained control of the game they soon found another goal in a superb 30 yard strike from Jordan Cook in the 20th minute. Luton Town's Jack Senior found himself in Biggleswade's box in which he cleverly cut across goal scorer Greg Kaziboni who made contact with the Luton number 3 resulting in a penalty. The spot kick was then converted by Jordan Cook for his second of the match in the 34th minute. Things went from bad to worse for Biggleswade after a mix up in the defence led to a wonderful volley by Jake Jarvis just inside the first half. A big job rested on the Biggleswade manager Chris Nunn to motivate his players.

Biggleswade pegged a goal back to make the score 4-2 in the 73rd minute. Luton came close twice towards the end however fantastic keeping by the Biggleswade keeper kept them out. A late controversial goal was given to Biggleswade in the 88th minute sparking energy into the team, however it was not enough to get Biggleswade level. Man of the match given to a superb performance from Jake Jarvis and the result finished 4-3 to Luton Town.
